

JOURNAL

African Affairs

The journal of the Royal African Society, indexed in the ADG Library as a standing serial record.

AUTHORS ADG Library Editorial

PUBLISHED

10 September 2026

ABSTRACT

A serial record for African Affairs: what the library holds, how the title is indexed, and where the published issues live.

KEYWORDS serial, journal record, African studies

African Affairs is indexed here as a standing serial record rather than as a single document.

The record carries the title, its identifiers and its access route; individual issues and articles remain with the publisher.

WHAT THIS DOES NOT ESTABLISH

A catalogue record, not a holdings statement: the library does not mirror the journal's issues.
